Dermal Treatments

IPL – Permanent hair reduction. With the ability to treat both dark and light hair this treatment is a great way to get rid of unwanted hair.

IPL - Pigmentation, scarring and skin rejuvenation. This treatment helps the appearance of pigmentation marking, fine lines and acne scarring.

IPL – Vascular. treating broken capillaries on the skin It is compulsory to have a thorough consultation. This allows us to make sure you are suitable for the treatment and we perform a patch test to ensure there are no adverse reactions. The cost of the consultation is deducted from your first treatment.
